INSTRUCTIONS

- Candidates should attempt all questions strictly in the space prescribed under each question in the booklet.
- Do not write anything other than the actual answer inside your question cum answer booklet.
- Write legibly and neatly. Do not write in bad/illegible hand writing.
- If you wish to cancel any work, draw your pen through it or write "cancelled" across it.
- Word limit, as specified, should be adhered to.
- Any page or portion of page left blank in the question-cum-answer booklet must be clearly struck off.

function because of following issues

- Red Reluctance of administrators to engage with social society.
- Lack awareness among the public about such practice.
- As Gram Sabha has important role in it, many local voices has suppressed by individual by mere power.
- Although social audit mechanism is there, but it does not efficient engorgment mechanism to implement it engground level.

Thus, government should reform social audit mechanism by giving it legal, institutional as well as economic backing.

back of follow follow up lack of genuine involvement low literacy in rural areas Technical to comply mechanism in some cases you can take example of rajiv social audit mechanism as well as economic banking

underdeveloped countries to foster the socioeconomic development.

But, impact of bipolar multipolar world (which resulted after cold war era) get resulted into predatory competition between the developed countries than rest. later, which contribute in the Doha shaped dispute, which still remains unresolved.

For this, need of hours is to respect regional autonomy and necessity of time, so as to establish global economic order to facilitate equating equal sharing of economic benefit.

you have to write why doha round table is not enough to bring countries

REMARKS AND SUGGESTIONS:

- Work on diversity of content of your answer. (Nation, Society, Personal, Security).
- Organization of answer is missing. @ unequal distribution of explanations of sub questions. This gives answers incomplete feel. Explain each sub-question with proper examples.
- Introduction of answers is up to the mark. Conclusions are comparatively good.
- Use of map, flow chart can be improved.
- Try to use combination of point & paragraph format to covers maximum aspects of question.
- Keep practicing to improve upon short-cumings.
- You mentioned Constitution Provisions in your answer very good. It is imp. in GS-II.
- Avoid repeating the answers you are not answering on this. Use one consistently reminding you of the question.
- As always, you wrote all answers (over and over)

All the Best.
